PRICING STRATEGY

Using a scientific market analysis in your area, we will price your home correctly the first time so that it will sell quickly.

If your home is priced at fair market value, it will attract the the largest number of potential buyers in the first few weeks

If a home is overpriced it will attract the fewest number of buyers looking to purchase a home. This is due to the fact that the majority of home buyers look at a lot of homes, and they quickly get a feel for the price range that homes sell for in a given condition in a location.

STAGING OPTIONS

To make sure your home is shown in its best light to buyers, We can go over different staging techniques to ensure your home is ready to go on the market to appeal to the maximum number of potential buyers.

PROFESSIONAL PHOTOGRAPHY

In today's market, home buyers are searching online first. So it is imperative that the photos of your home are of the very best quality to catch the buyers attention and stand out from the competition. More eyes on your home, is the fastest way to getting it sold fast and for top dollar.

AGENT MARKETING

WHERE DO BUYERS find their home

NETWORKING

A large percentage of real estate transactions happen with co-operating agents in the country. We will expose your listing to this market.

SIGNAGE

A sign will be placed in your yard as well as pointers and open house signs at the appropriate times gaining you maximum exposure.

SUPERIOR ONLINE EXPOSURE

Buyers in today's market first start their search online. We will meet your potential buyer where they are...online! Not only will your home be featured in the local MLS, it will also be featured on the major 3rd party real estate sites, syndicated to literally hundreds of other listing sites, featured on our company website, and social media

EMAIL MARKETING

E-alert marketing to current buyer database of thousands of buyers searching for properties on my website. As well as a new listing email alert that goes out to our agent network of thousands of agents in the area.

PROPERTY FLYERS

Highly informative and creative property flyers will be displayed inside your home. These help potential buyers remember the key items and unique features of your home after looking at several listings.

LOCK BOX

Lockboxes are essential for the safety of all and allowing an agent to show your house whenever he or she needs to, rather than relying on the you the owner for a key. Owners are also expected to vacate the property for showings so having a lockbox makes this process much easier.

SHOWINGS

When we list your home it will also be signed up with a showing service that immediately communicates with you when a showing is scheduled. When feedback isn't left, we will follow up with those agents requesting their feedback within 24 hours.

OPEN HOUSES

We have discovered the perfect formula for what day is best to list a home and the perfect day for an Open House.

SOCIAL MEDIA MARKETING

We practice regular social media marketing on today's top social sites which include and are not limited to: Facebook, Instagram, LinkedIn, YouTube, and Pinterest.

A few tips to help your home showings go as smoothly

as possible

FLEXIBLE

Be as flexible and accommodating to the buyers schedule as possible. We want to avoid having missed opportunities if at all possible.

INFORMED

Make sure everyone in the home is informed when showings are to happen so they can keep their spaces clean.

DAILY CLEANING

Keep up and daily messes. Wipe down kitchen and bathroom counters before leaving for the day.

ODORS

Avoid strong-smelling foods: Keep your meal prep as neutral and simple as possible.

FURRY FRIENDS

Keep pet areas clean: Clean up after your pets immediately and wash their bedding regularly. Hide pet food or litter. Not everyone is a pet person and it may hinder their ability to picture themselves living there.

NATURAL LIGHT

Open blinds and curtains and let in as much natural light as possible. Leave lights on before you leave for a showing.

TRASH

Empty trash cans to avoid any odors. Try and empty trash cans nightly so that the home is fresh when you leave for the day.

TEMPERATURE

Keep room temperature comfortable. This demonstrates to buyers that HVAC is working properly.

PERSONALS

Make sure you place all valuables and prescriptions out of site and in a safe place.

VACATE

Having a seller present can make buyers feel awkward. We want to make the buyers feel at home and stay awhile.

Price is just one

Price is just one of many considerations when deciding which offer is best for your home. Here are some of the other factors that matter

	CONTINGENCIES The fewer contingencies and the shorter the time period the better.
	ALL CASH BUYER A cash offer is usually more appealing than a finance offer as the seller doesn't need to worry about if the bank will approve the buyers loan.
\bigcirc	PRE-APPROVAL Assures home sellers that the buyer can get the loan they need
	LOAN TYPE A conventional loan is often the least complicated which is an appealing choice for sellers. An FHA loan can cause delays because they require certain repairs and approvals. Closing TimelineYou might need to close quickly to move on to the next adventure, or you might need to extend closing to allow time for next home to be ready. Choosing the offer with the closing time that fits your needs will be most attractive to you.
	CLOSING TIMELINE You might need to close quickly to move on to the next adventure, or you might need to extend closing to allow time for next home to be ready. Choosing the offer with the closing time that fits your needs will be most attractive to you.
	CLOSING COSTS Sometimes an offer comes in high, but the buyer asks you to pay a percentage of the buyer's closing costs.
	BUYER LETTER If you care about the future of your home a buyer letter could assure you that you're selling to someone who will love the home and your neighbors as much as you did.
	REPAIR REQUESTS If the home needs some repairs, but you don't have the time or money to do

OFFER PRICE

Of course price matters too! If a high offer will cost you more in closing costs, repairs or other factors—then it probably won't be the best offer.

them, a buyer who will do them for you might be what you need.

NEGOTIATIONS AFTER AN OFFER IS SUBMITTED WE CAN: Accept the offer Decline the offer If the offer isn't close enough to meet your expectations and there is no need to further negotiate. Counter-offer A counter-offer is when you offer different terms to the buyer. THE BUYER CAN THEN: Accept the counter-offer •Decline the counter-offer Counter the the offer You can negotiate back and forth as many times as needed until you reach an agreement or someone chooses to walk away. **OFFER IS ACCEPTED** You will sign the purchase agreement and you are now officially under contract! This period of time is called the contingency period. Now inspections, appraisals, or anything else built into your purchase agreement will take place.
